

POST ACADEMIC LEARNING DENTISTRY

**SLEEP AND SLEEP MEDICINE: POSITION OF THE DENTIST,
SPEECH THERAPIST, ENT DOCTOR, OMF SURGEON,
DENTAL HYGIENIST IN THE CLINICAL CARE PATH**

THURSDAY 14 MARCH 2024

INTRODUCTION

Oriented approach to sleep-related Orofacial Dysfunctions in a broad interdisciplinary context. International opinion leaders will also join this symposium with a view to developing an evidence-based platform in collaboration with domestic and foreign universities and professional organisations. This platform aims to develop and promote guidelines in post academic education and practice for healthcare providers in the designated area of head and neck with a focus on sleep and sleep medicine.

Accreditation dentists accepted AE40, DG 0 & 1 & 7 / Accreditation reQuested for surgeons
